

**Avoid claims by neighbouring property owners...  
have Archicentre provide you with comprehensive  
Dilapidation Reports that record existing defects  
before you start construction work.**

**Archicentre's professional Dilapidation Reports:**

- Protect your company in the event of a future claim
- Give you peace of mind
- Are prepared by expert and experienced architects
- Are used by a range of high-profile civil and commercial construction companies
- Accurately assess residential and commercial buildings, civil infrastructure and street assets
- Can be done quickly to meet project timeframes

**You will benefit from:**

- Our resources and coverage
- Our ability to arrange property access
- Our \$10 million professional indemnity insurance cover

Your company can focus on its core activities by having Archicentre provide the Dilapidation Reports you need.
