

**An Archicentre Maintenance Report can help
you manage and improve your property assets.**

Property management is a tricky business...

there are owners to represent, tenants to look after and repairs to be arranged. There are decisions to be made about acquisition, disposal and maintenance. There are recommendations to write and budgets to prepare.

You need a team of professionals to provide you with independent property advice.

Our Maintenance Reports can help with:

- Fault-finding and forecasting
- Cost estimates
- Sinking fund establishment
- Maintenance scheduling

**For specific problems we offer
expert advice in areas such as:**

- Cracking
- Dampness or leaks
- Upgrade feasibility
- Sustainability

With a network of industry experts and years of property inspection experience, Archicentre can help you effectively manage your property portfolio.
